## Poster Competition on "Innovative Technologies for Waste Recycling Energy, 2020

The Poster Competition on "Innovative Technologies for Waste Recycling Energy regarding Swachhata" was successfully held on January 18, 2020, at 11:00 a.m. in the college premises. The event, organized by the Department of Nutrition at Mugberia Gangadhar Mahavidyalaya, aimed to promote creative solutions for waste recycling energy and enhance awareness about the Swachhata initiative.

The programme commenced with a warm welcome to the participants, faculty members, and esteemed guests. The Principal inaugurated the event and highlighted the importance of embracing sustainable practices in our daily lives.

Participants displayed an impressive array of posters, each reflecting unique and innovative approaches to waste recycling energy. The judging panel, comprised of faculty members from various departments, carefully evaluated the presentations based on creativity, feasibility, and relevance to the theme.

The winners were announced, and certificates of appreciation were awarded to acknowledge the outstanding efforts of the participants. The event concluded with a vote of thanks expressing gratitude to everyone who contributed to the success of the programme.

The competition not only showcased the creativity and talent of our students but also served as a platform for sharing valuable insights into sustainable practices for waste management.

We extend our sincere thanks to all those who attended and participated, making the event a significant and fruitful endeavor.
