Collaborative learning event on Computational Methods using MATLAB, 2021

The departments of Mathematics, Chemistry, and Zoology at Mugberia Gangadhar Mahavidyalaya are joining forces to organize a collaborative learning event on "Computational Methods using MATLAB" scheduled for 19th February 2021. This interdisciplinary initiative encourages active participation from students, faculty members, and administrative staff associated with the respective departments.

The program aims to foster a cross-disciplinary understanding of computational methods, emphasizing their applications in Mathematics, Chemistry, and Zoology. All members of the mentioned departments are urged to attend this insightful session, which promises to enhance skills and promote a holistic approach to problem-solving.
