Report of APC Roy Memorial Lecture -2 (2018)

The Chemistry Department of Mugberia Gangadhar Mahavidyalaya took immense pride in organizing the APC Roy Memorial Lecture-2, a tribute to the exemplary Acharya Prafulla Chandra Roy—a distinguished scientist, Bengal Chemist, and a patriotic entrepreneur. The event unfolded on the 2nd of August 2018, marking a day of scientific enlightenment and celebration of the legacy of a remarkable figure in the scientific realm.

Esteemed scientists were cordially invited to share their insights during the memorial lecture, providing students with a unique opportunity to delve into the latest developments and breakthroughs in the world of science. The lectures delivered by these eminent personalities added a valuable dimension to the academic environment, inspiring both faculty and students alike.

As part of the occasion, the department organized a poster competition, encouraging students to explore and present various science topics. This initiative aimed to foster creativity, critical thinking, and effective communication of scientific concepts among the student community. The topics covered a diverse range of scientific disciplines, contributing to a holistic understanding of the subject matter.

The poster competition witnessed enthusiastic participation from students who showcased their dedication and passion for scientific exploration. The evaluators faced a challenging task in selecting the winners, given the high quality and creativity displayed in the submissions. After careful deliberation, the top three posters were identified and duly recognized for their exceptional content, presentation, and innovative approach.
