Report of Life World Water Day 2023

Mugberia Gangadhar Mahavidyalaya marked the celebration of World Water Day 2023 with a vibrant event organized by the Department of Geography on 22.03.23. The day witnessed active participation from students, faculty, and staff, promoting awareness about water-related issues and sustainable practices.

The highlight of the event was a keynote address delivered by the distinguished speaker, Dr. Mihir Kumar Pradhan. Dr. Pradhan's insightful presentation shed light on the global water crisis, emphasizing the importance of responsible water management and the need for collective action to address water-related challenges.

In conjunction with the celebration, a poster competition was organized, inviting students to visually express their understanding of water conservation and sustainability. The competition showcased the creative talents of the students, illustrating a range of perspectives on the theme. Two exceptional posters were awarded for their creativity, relevance, and effective communication of the message.

The award ceremony recognized and celebrated the efforts of the talented students, encouraging them to continue advocating for responsible water usage and conservation.
