Library Services

The Central Library provides the following services to its users:-

- ❖ Lending Service.
- ❖ Reading Room Service.
- ❖ Reference Service.
- ❖ Display of New Arrivals.
- ❖ Bibliographic Service (on demand).
- ❖ Reprographic Service (Xerox).
- ❖ Internet & Online Database Search Service.

❑ User Orientation /Induction Programme :

We organize User Orientation / Induction Programme regularly throughout the year in an informal way. It helps new users to know about the library and its services. Library rules, timings, functions, services etc. are also discussed to members in these programmes. At the entry time of 1st Semester students we offer a running ppt presentation to know the library and use of library properly.

Types of Catalogues used the library

To search a particular book in the library a member has to search the library catalogues (list of books) either manually or mechanically.

The library maintains two types of catalogues :-

1. Card Form Catalogue –

Arranged Subject wise, Author wise and Title wise

2. Computerized catalogue

Online Public Access Catalogue - OPAC & WEBOPAC

Now our users have the facility of OPAC and WEBOPAC for searching our library database as well as searching databases of other reputed institutions through internet.

Use of ICT in Central Library

➤ **Name of ILMS software :**

We are using SOUL software (Software for University Library), designed and developed by INFLIBNET Centre, Ahmedabad, an IUC of UGC.

➤ **Version of Software :**

We use network version of SOUL 3.0. software. [Full Edition]

➤ **Nature of Automation :**

MGMCL is almost fully automated. Issue return system is automated. Bar coding of books is completed for the books whose data are entered in our book database. Web based Online Public Access Catalogue (WEBOPAC) search of book database is working smoothly. It has 24x365 OPAC search facility. College and University question papers, theses etc. are also uploaded for search by the students.

➤ **Use of E-Resources through N-LIST :**

From the year 2009 we became a member of N-LIST programme of INFLIBNET. Through this programme teachers and students utilize the facilities of accessing huge number of e-books and e-journals for the purpose of their study and research. For using these resources they have to take their N-LIST membership from the librarian.

Achievements of the library in last 5 years

- Acquisition and processing of 5130 new books.
- Addition of 1300+ Sqft. Area for the central library.
- Addition of large display monitor for continuous showing ppt on college library, specially for new entrant students.
- Addition of 1 National News Paper & 5 new career journals.
- Installation of SOUL 3.0 Software(Full Edition) with advanced configuration and genuine software.
- Preparation of separate library website for remote search of WEBOPAC.
- Bar coding of books & member cards for easy issue - return system.
- Addition a new scanner cum colour printer (PSC).
- Initiation of almost fully automated library services for the users.
- Increase of seat capacity in the Students Reading Room.
- Installation of 11 PC's in Reading Room for Internet & Online Database search.
- Initiation of Wi-Fi connectivity in the library.
- Installation of CC TV in Circulation Section and in Reading Room.
- Initiation of individual N-LIST membership for using e-books & e-journals.

Weakness

- ❖ 1. Computer controlling and servicing technical person needed for smooth running library services.
- ❖ 2. Technical knowledge of library staff needs regular up gradation.
- ❖ 3. Computer friendly students and staffs required for using library through ICT.
- ❖ 4. Books are not enough for PG sections.
- ❖ 5 . For the cause of changing the syllabus in a very short period of time books are not available properly.

Future Programme

We have done little but we are hopeful to do more for our valuable users. We have the following future programmes.

- ❖ Open Access to book stacks for both students and teachers.
- ❖ Separate section and collection development for PG students.
- ❖ Total Library will be covered under CCTV surveillance.
- ❖ Up gradation of WEBOPAC for searching our database.
- ❖ Introduction of RFID technology and biometric attendance.

Our motto is “Charaibeti, Charaibeti”.

[Keep on going, Keep on going].

In Swami Vivekananda’s word –

“ Arise, Awake, Stop not until the goal is reached”.

*Hope that
we will go one step forward
for our coming generation.*

Thank you all.
