At present the college offers Honours in Bengali, English, Sanskrit, Philosophy, Political Science, History, Music, Economics, Mathematics, Physics, Chemistry, Nutrition, Geography and Accountancy and also offers general subjects like Botany Zoology, Physiology, Education and Physical Education with well equipped laboratories and other facilities. The college has also put emphasis on teachers training programme and started the NCTE approved B.P.Ed. and M.P.Ed. courses. Apart from regular degree courses the college offers 01 Diploma course and 04 certificate courses financed by UGC.</p> <p>The college has a great vision in ensuring sustainability to its pupils by imparting value added knowledge with the changing scenario in academic spheres. It has the vision of setting up of Centre of Potential Excellence with integrated network of education and education related activities. Keeping in mind of the remoteness, the college aims to pursue a plan of constructing an all encompassing education system with all the modern facilities in a state of art and Technology. To cope-up with the emerging needs, the college has developed various committees to look after academic and social responsibilities. Research Cell, Environmental Cell, Women's Cell, Anti Ragging Cell, NCC, NSS units along with some other Academic Cells have been formed. Since the college is expanding in almost every academic wings, as a part, it has developed healthy research opportunities for its faculties so that they can be motivated to carry out core research on their respected fields with the collaboration of other institutions. ### **Details of each activities**

#### **2.ab Teaching UG & PG**

When we look at the present scenario of Indian Economy it is quite evident that India, being one of the emerging economies in the world slowly giving place to rapid economic activities and higher levels of income under the impact of globalization. Of course, in the era of globalization India is confronted with many critical challenges and issues. One such challenge is associated with higher education and related issues.

It is a well documented fact that in a country like India higher education plays a prominent role in promoting quality of human capital. Unfortunately higher education scenario is associated with many of the critical problems including financial and social constraints. Apart from these constraints there has been a rapid change in the traditional academic spheres, introduction of private educational institution in our state has began to dominate which throws challenges to the rural and backward institutes like ours.

Therefore, students who are into higher education should be given training and entrepreneurial skills in such a way as to fulfill the growing industrial and market needs of present day competitive world. In this regard, universities and colleges should fulfill their needs while graduating the present generation students.

As far as quality of education is concerned, Mugberia Gangadhar Mahavidyalaya has carved a niche by enhancing with global skills and employability culture of students and is striving hard to impart quality education in various fields. Keeping in mind of the challenges the college has already implemented several programmes.

All though financial assistance is provided by the state govt., UGC and other organizations through development grants, the level of funding is still inadequate in relation to existing

demand for the fund. Therefore, we need additional funds for the execution of the proposed activities mentioned in the action plan and budget of CPE application.

The institution, keeping in mind the growing needs of the market, has been striving hard to impart not only quality classroom teaching but also aims at promoting better research, better learning and development of entrepreneurial skills among staff and students.

It is worth noting that journey towards excellence isn't begun though we are ready to implement and execute the proposed task and activities framed in this application in an effective manner if sanctioned with necessary financial aid.

#### **2.ab.i Smart Class Room**

We have started virtual class room facilities to meet the global requirements. Moreover we have started 03 smart class rooms and 01 language lab with all necessary equipments and tools in the Arts, science and B.P.Ed departments. We want to extend smart class rooms to other departments for their enrichments. Projectors, Printers, UPS, Software's and interactive boards have been procured for advanced teaching in the smart class rooms.

#### **2.ab.ii Enrichment of Departmental and Central Library**

In order to meet the requirements of the students and faculty members, it is essential to extend the Libraries by procuring Peer Reviewed Journals, Periodicals and Books. It is also needed to upgrade the library system with WEB OPAC, RFID, and CCTV Surveillance for Open Access System.

#### **2.ab.iii Improvement of Laboratories with modern facilities**

At present there are 09 Laboratories for Science and Physical Education departments and 01 computer lab for Commerce department active for general academic use. These laboratories have been equipped with modern facilities. However, the available modern equipments, apparatus are inadequate in relation to the student population of the college. In view of the above shortages the institution intends to install new equipments and apparatus for general science students and modern equipments for sports science students (B.P.Ed & M.P.Ed).

#### **2.ab.iv Establishment of Comprehensive Seminar/Conference Rooms.**

More than 10 seminars inclusive of State Level and National Levels were organized in the last three years for the benefits of teachers and students. Keeping in mind of the regularity and the recurrent visit of the eminent scientist and scholars to attend those seminars, it is necessary to cater modern facilities with the installation of Audio System with acoustic false ceiling, AC, wall paneling system for renovation to the existing structure.

#### **2.ab.v Enrichment of Gymnasium**

The college gymnasium is well equipped. We are running both B.P.Ed & M.P.Ed courses. To meet the demand of the students, we want to modernize our gymnasium with latest indoor & outdoor sports lab with Skinfold Caliper, motion analyzer, camera with software, LCD Sony 24", Digital Spirometer, Digital Stadiometer etc.

#### **2.c Research**

##### **2.c.i Enrichment of research lab**

For betterment of research, well equipped research lab is very vital. It should be equipped and upgraded with latest software and necessary equipments. In this regard the institutional research cell aims to enrich the same by purchasing various instruments and software from the financial assistance of proposed CPE.

##### **2.c.ii Subscription of International journals**

To carry out effective research, literature survey is necessary. For that purpose, the availability and accessibility of full version of research papers or articles published in international journals is important. To avail those facilities, the institution wants to subscribe some research journals both for science and arts streams through online.

##### **2.c.iii Execution of collaborative research programmes**

Research based programmes like seminars; workshops on Research Methodology are being conducted periodically. Besides, International collaborative research programmes are targeted to be organized in a regular manner. With this increased facility in the institution, more number of students and staff will be motivated to take up research and field works in the appropriate areas. Due to all round effort on research activities few departments have already established collaborative research activities. Teachers of physics, Mathematics and Chemistry departments

have published their collaborative research papers in various high impact international journals.

#### **2.c.iv Publication of peer reviewed journals**

To share our research findings with others and vice-versa, the institution aims to publish peer reviewed journals enriched with research findings and data collecting from the researchers and authors from the various part of the country and abroad. In this initiation, financial supports are needed which is planned to get under this proposed CPE scheme.

#### **2.c.v Awards or scholarship grants**

The institution has also planned to inculcate research culture among both the student and faculty through financial assistance to be given to them as an incentive to undertake research based activities in an effective manner. Further, a good number of teachers who are carrying out their major / minor projects will be awarded for their research Excellencies.

### **2d Extension**

Involvement and active participation of staff and students in public awareness programmes implies that college has social responsibility and special interest in societal and environmental development. In this regard, the college has planned to do the following title activities.

#### **2.d.i Carbon neutrality through tree plantation**

Presently environmental degradation has got serious international attention particularly in the developing countries like ours. We believe that the sustainable use of resources could help to sustain ecological balances in a great manner. Being a 'Green and Clean Campus' enunciated by the earlier NAAC Peer Team, we would like to maintain our resources in a systematic way with the aim to implant more useable trees. Under the situation of growing environmental pollution caused by various reasons, the total living communities are facing different health hazards. To neutralize this problem to a great extent, the college NSS and NCC units take various awareness programmes on tree plantation, global warming etc so that the local inhabitants can be encouraged to reduce such sorts of problems.

#### **2.d.ii Book fair**

Being a rural and backward area, the most of the local people are ignorant about the advancement occurring in the present situation throughout the world. In this respect, the

college has a responsibility to make them aware about the said advancements to meet the mission and vision of the college. The Book fair in association with the local people can fulfill this aims.

#### **2.d.iii Establishment of vocational training centers**

To expand the college activities into the social section and to make the students self-employed the college intends to establish some vocational training centers on Automobile. The college has necessary space to establish those centers but financial assistance to develop these centers are essential. With necessary funding from CPE, the college can fulfill its intention regarding this matter.

#### **2.d.iv Development of sports and health services**

In this connection, the college NSS, NCC and B.P.Ed sections are carrying out constructive programmes to educate general public about the issues like Evil Effects of Alcohol, Importance of Self-Help Groups, Civil Awareness programmes including Right to Information and many more. This platform is also open for outsiders. More such programmes are scheduled for being under taken, both intensively and extensively after getting funding under the CPE scheme.

#### **2.e Any Other**

##### **2.e.i Office up gradation**

In today's competitive world, efficiency and simplification in the administrative work is one of the basic requirements. In this direction, the college wants to take initiation to introduce networking system, internet facility, on-line submission of applications etc. In order to create the above facilities, on-line information system along with latest software is essential and this will also help streamlining the student attendance records and up gradation of the existing office with new devices.

##### **2.e.ii Alternative energy sources**

Because of the rural and backward area, there were a frequent power cut that is why it is required to install alternative electricity such as inverter to maintain all time electric supply. Further, in order to maintain clean and better environment in the campus, it wants to install solar power panels.

**2.e.iii Installation of AC in each department**

Moreover special needs like ACs and other necessary equipments are also required in each department to maintain academic endeavor. That is why the institution plans to set up AC system in office, staff room, class room and conference hall.

**2.e.iv Creating Wi-Fi Infrastructure facility for the campus**

In connection with up-gradation of office, Research Cell, Audio Visual Centers, the institution is willing to introduce Wi-Fi facility. This wireless technology can be used to access intranet/internet information by students, Staff and authorized visitors. The installation of which require the following tools and equipments.

1. Internet connectivity
2. Wi-Fi band width
3. Optimizer
4. Cisco routers
5. Manageable switches

**2.e.v Establishment of Weather Station Model**

Weather Station Model is very important and innovative in regard for weather forecasting. Students can use this to measure weather which can add some extra benefits to their academics as well.

### **CERTIFICATE**

This is to certify that the above Action Plan & Budget has been proposed by the college after consulting its major stake holders, in particular, the teaching faculty, as per the UGC XII Plan Guidelines for CPE. The college hereby undertakes to adhere to the approved Action Plan and to take all the necessary steps for meeting the targets envisaged to achieve excellence as proposed.

Dr. Swapan Kumar Misra  
Principal  
Mugberia Gangadhar Mahavidyalaya

**Expected Outcome - Annual (C1)****Teaching (UG and PG)**

Teaching and evaluation are two important areas of any educational institution. While teaching leaves an impression on young students, evaluation of teachers by students provides an opportunity for suitable corrections in achieving excellence. Up-gradation of labs procurement of teaching support tools and facilities and adding full-fledged audio visual centers constitute scheme of action plan along with sprucing up the conference room, library and departments under this head. Up-gradation of the gymnasium with modern instrument also constitute such schemes which will strengthen the sport culture. The three stages through which evaluation will pass are:

- Develop exhaustive and scientifically designed assessment structure and carry out pilot study.
- Train the students-how to assess the teachers and be objective in assessment. Implement the same.
- Follow up and corrections.

**Smart teaching facilities developed in the college would revitalize the traditional methods by recent and most advanced tools and techniques. The quality of teaching and the quality of output will substantially change with innovative changes undertaken in teaching.**

**Research**

The financial assistance made available will be used to stream line the Research cell already set up in the college with the main objective of encouraging the teachers to involve themselves in the research based activities. The listed journals, both national and international, will be communicated to staff members and workshops will be conducted

to acquaint them with the art of synopsis writing, structuring questionnaires and conducting surveys. Workshops on research methodology will be conducted and statistical analysis will be taught. Research results will be accounted for and shared with the needy. A good research development would bring intellectual benefits not only to individuals, but also the society at large.

### **Extension**

The institution is interested in societal development which has been expressed in its vision statement. Constant dialogue with the society is the hallmark of the institution. It wants to share its resources for the benefit of general public. As part of the Knowledge Exchange Programme the faculty members will visit other institutions on invitations to deliver lectures on various subjects. In addition, college will organize several awareness programmes relating to Child Labour problems, AIDs and others. The NSS, NCC, Environment Cell, Women Empowerment Cell, Human Rights Forum will guide the activities of extension. Activists groups will be set up to follow up the activities and ensure continuity of the efforts. Services of NGOs and other social organisations will be roped in to capitalize on the early results of extension activities. Permanent monitoring bodies assisted by the beneficiaries will be commissioned. Extension imparts social significance to the institution and justifies its place in the society.

### **Any other**

Power and internet connection are essential services both for individuals and organizations. The college needs them and in right quantity. Harnessing solar energy and establishment of weather station model also serves the environment cause. Office plays an important role in the effectiveness of the organization. Well established office brings convenience of operation for all. Together, these projects will have a lasting contribution

to make to enrich the campus. Once these experiments are consolidated, the benefit of experience will also be extended to the society and the needy organizations who will in turn carry on the good work initiated in the college.

### **Expected Outcome - At the end of five years (C2)**

Teaching, Research and Extension are the areas of significance for educational institutions. With the present proposal we aspire to improve upon our current position and make strong bid to uplift ourselves to greater heights academically and in other fields too.

On teaching and evaluation front the college intends to upgrade its Smart Class Room, Language Lab, Conference Hall, all Science Lab and Computer section. Other Departments will also get a share in sprucing up along with the most performing departments. Best of the teaching aid and support systems are intended to be commissioned.

Research has caught the imagination of staff members within and outside the college. More quality research work is aimed at in this phase. This area has enormous growth potential and is a very important area of work and investment.

Extension activities will focus on some of the very serious problems pertaining to child labour, health problems, etc. Campus co-operatives will also get due attention. Other activities will concentrate on issues like water, energy, co-operation, career and placement. The institution wants to take some steps in this direction, so more support to these are necessary for making them more relevant and dynamic.

**In summary, the college is poised to realize its vision and mission through CPE. We have believed that we have a role in nation building through education. CPE would give us necessary strength, credibility and impetus in our endeavors. We shall accomplish our goals.**

**3.4 Institutional Challenges:**

- To enhance employability and professional competency among students.
- English language disability limits job opportunities.
- To minimize drop-out rate and improve examination results at 1<sup>st</sup> year level in several disciplines.
- To create more faculty positions on regular basis to reduce reliance on temporary, part-time and guest faculty.
- Generating funds to improve the quality of its services.
- To fully realize its vision, mission, goals and objectives.
- To attract good quality students.
- To recruit and retain best quality teachers.

**Section IV: Recommendations for Quality Enhancement of the Institution**

- Introduce PG courses such as M.P. Ed., M.Com., Bengali and Political Science and some add-on courses like Diploma in Rural Agriculture, Agri-business, Entrepreneurship, Military Science, Rural Marketing, Insurance and Banking, Disaster Management, Tailoring and Fashion designing.
- Vacant Teaching and Non-teaching posts be filled.
- Teaching- learning process may be strengthened by using modern technology.
- Formal feedback mechanism, its analysis and implementation be developed.
- Computerization of library be completed on priority basis and library services be strengthened with more books, journals, computers and a digital section.
- Make-up deficiency of infrastructure in terms of class rooms, laboratory and more space for Library.
- Provide central computer facility, accessible to all the students and may offer computer programmes to students, teaching and non-teaching from time to time.
- Dropout rate needs to be minimized.
- Undertake financial drives to generate more funds to meet the growing requirement of the college and also pay reasonable salary to temporary staff for their full involvement.
- Green audit of the campus may be done regularly, efforts be made for carbon neutrality through tree plantation, energy conservation, water harvesting and proper landscaping, Botanical garden needs to be developed.
- Efforts be made so that students, teachers and the locality in the neighbourhood become environment conscious.
- Efforts be initiated for better placement of students and strengthen students' counseling after revamping counseling cell and setting up of placement cell.
- A 'Vision Document' and a master plan may be prepared and implemented.

- To systematize and further strengthening of IQAC in the light of NAAC Core Values.
- "Women Study Centre" with UGC assistance may be setup.
- To strengthen Alumni Association and initiate Parents Teachers Association for effective involvement of stakeholders.
- To focus more emphasis on English language/communication skill, innovative skill, creativity and critical thinking.

I agree with the observation of Peer Team as mentioned in this report.

## List of UGC Sponsored Seminars

Sr. No.	Title of Seminar	Level	Dept.	Amount Sectioned by UGC	Date of Seminar
1.	Global Warming: Causes and Effects, organized by department of Zoology	State	Zoology Dept.	Rs. 100000/-	02 <sup>nd</sup> Dec, 2011.
2.	Coastal Environment and Dune Ecology, organized by department of Botany	State	Botany	Rs. 100000/-	19th Nov, 2011.
3.	Role of Credit Co- operatives in Socio – Economic & Political Development in Rural India	National	Commerce and Political Science	Rs. 150000/-	24th & 25th Feb, 2012.
4.	Socio economic and socio cultural perspective of Physical Education.	National	Physical Education	Rs. 150000/-	10th & 11th May 2013.
5.	Philosophical Perspectives of Vivekananda and Tagore on Education in the Present Scenario.	National	Physical Education	Rs. 150000/-	21st & 22nd Sept, 2011.
6.	Physical Education for Fitness, Health and Well-being, organized by department of	National	Physical Education	Rs. 150000/-	29th & 30th Aug, 2011.
7.	FDI in retail sector and in derivative trading in India.	National	Commerce	Rs. 150000/-	16th & 17th Aug, 2013.
9.	Vivekananda's thoughts and its implementation in Higher Education	National	Education	Rs. 150000/-	20th & 21st Sept, 2013.
10.	Philosophical Perspectives on Music: Theory and Practice	National	Philosophy and Music	Rs. 150000/-	22nd & 23rd Nov, 2013.
11.	The Importance of Intermolecular Interacting in Solid State X-ray crystal Structure	National	Physics	Rs. 150000/-	7th & 8th September, 2015
12.	Environment Friendly Biodegradable Polymers - Present and Future	National	Chemistry	Rs. 150000/-	9th & 10th September, 2015.
13.	Recent Trend in Bio-Mathematical Modeling under Uncertain Environment.	National	Mathematics	Rs. 150000/-	11th & 12th September, 2015.
14.	History of the Relation Between Human Rights and Politics.	National	History & Political Science	Rs. 150000/-	4th & 5th December, 2015.
15.	Economic Development through Financial Inclusion.	National	Commerce	Rs. 150000/-	22th & 23th December, 2015

## List of Major / Minor Research Projects

### Major Projects

1.	42-830/2013 (SR) dated: 22/03/2013	Tuning supramolecular self-assembly of metal-organic complexes in the context of crystal engineering: A combined X-ray and Hirshfeld surface analysis	Dr. Saikat Kumar Seth/Dept. of Physics	Major/ On Going	1350000/-	3 years

### Minor Research Projects

Sl.no	Sanction No. & date	Title of the proposed project	Name of P.I. & Dept.	Status	Value	Duration
2.	PHW-163/11-12 (ERO) dated: 02/08/2011	Role of Primary Agricultural Credit Societies in Socio - Economic Development – A Case Study of Purba Medinipur District	Dr. Subrata Mukherjee/Dept. of Commerce	Minor/Completed	118000/-	18 months
3.	PSW-92/12-13 (ERO) dated: 05/02/2013	On some optimal production-inventory problems in fuzzy-rough environment	Dr. Kalipada Maity/Dept. of Mathematics	Minor/Completed	193000/-	24 months
4.	PHW-129/12-13 (ERO) dated: 05/02/2013	The Autonomy movement in Jharkhand: Its politics, political leaders and their voices over different issues	Prof. Prasenjit Ghosh/Dept. of History	Minor/Completed	120000/-	18 months
5.	PHW-128/12-13 (ERO) dated: 05/02/2013	Comparative analysis of Govt. Expenditure in development of Sanskrit and Urdu in the state of West Bengal and Odisha	Dr. Manoranjan Das/Dept. of Sanskrit.	Minor/Completed	123000/-	18 months
6.	PHW-132/12-13 (ERO) dated: 05/02/2013	Political participation of West Bengal's women in Panchayet system – A survey in Nanur Block of Birbhum District (1998 – 2008)	Prof. Jyoti Mitra/Dept. of Political Science	Minor/Completed	93500/-	18 months
7.	PHW-130/12-	Roll of Self-help groups in	Prof. Siddhartha	Minor/Completed	102000/-	18

	13 (ERO) dated: 05/02/2013	movement of socio-economic and political transformation-a case study in Purba Medinipur District	Chatterjee/Dept. of Political Science			months
8.	PHW-131/12-13 (ERO) dated: 05/02/2013	Problem and prospects of salt industry of Pruba Medinipur district	Dr. Swapan Kumar Misra/Dept. of Commerce	Minor/Completed	92000/-	18 months
9.	PSW-93/12-13 (ERO) dated: 05/02/2013	Effect of exercises on selected physiological variables of college girls	Prof. Nilima Gayen/Dept. of B.P.	Minor/Completed	86500/-	18 months
10.	PSW-91/12-13 (ERO) dated: 05/02/2013	Growth and Maturity of Coastal Area Adolescent	Dr. Debasish Ray/Dept. of B.P.Ed	Minor/Completed	162000/-	18 months
11.	PSW-94/12-13 (ERO) dated: 05/02/2013	The impact of sports and games on society through the active participation of school going (primary to secondary) children	Prof. Sk. Khabiruddin/Dept. of B.P.Ed	Minor/Completed	188000/-	18 months
12.	PSW-134/13-14 dated: 18/03/2014	Single crystal structure determination of organic compounds and metal-organic complexes by X-ray diffraction	Arpita Das/Dept. of Physics	Minor/On Going	440000/-	24 months
13.	PSW-132/13-14 dated: 18/03/2014	Structural elucidation and supramolecular features of metal-organic complexes using single crystal X-ray diffraction	Kalyanmoy Jana/Dept. of Chemistry.	Minor/On Going	450000/-	24 months
14.	PSW-131/13-14 dated: 18/03/2014	Design and Synthesis of Metal–Organic Chelate Polymers	Dr. Bidhan Chandra Samanta/Dept. of Chemistry	Minor/On Going	500000/-	24 months
15.	PSW-130/13-14 (ERO) dated: 18/03/2014	An Ecofloristic Account of the Coastal Studies in Reference to Dune Environment of West Bengal and Orissa	Prof. Devmita Dinda/Dept. of Botany	Minor/On Going	255000/-	24 months
16.	PHW-223/13-14 (ERO) dated: 18/03/2014	Exploitation of Tribal Women in India inside and outside of their community	Prof. Jonaki Biswas/Dept. of Political Science	Minor/On Going	185000/-	24 months
17..	PHW-222/13-14 (ERO) dated: 18/03/2014	Analysis of the difference between Tennis-ball cricket and Duce-ball cricket in respect of some selected mechanical parameter	Prof. Bodhi Sattwa Pradhan/Dept. of B.P.Ed	Minor/On Going	220000/-	24 months

18.	PHW-221/13-14 (ERO) dated: 18/03/2014	Comparative effect of Hatya Yoga and Aerobic training on selected Psychological variables and components of selected health related Physical fitness of rural NIDDM	Dr. Sandip De/Dept. of B.P.Ed	Minor/On Going	165000/-	24 months
19.	PHW-182/14-15 (ERO) dated: 02/02/15.	Dharmakirti <i>Apaha</i> : The Role of Mental Construction and Exclusion Method for the Understanding of Word meaning.	Mr. Alok Ranjan Khatua, Dept. of Philosophy	Minor/On Going	300000/-	24 months
