Anti Ragging

Ragging has ruined countless innocent lives and careers. In order to eradicate it, the Hon'ble Supreme Court of India, in Civil Appeal No. 887 of 2009, passed the judgement wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging Database. In accordance with UGC guidelines, the college has institutionalized a robust anti-ragging committee. The college adopts a policy of zero tolerance to the issues of ragging and whenever any case is registered the college immediately intervenes and takes prompt action

Mechanisms of Redressal

In case a student falls victim to an unfortunate incident of ragging he/she is requested to promptly get in touch of the Convenor of the Anti-Ragging Committee. The student is to submit a written complaint to the Convenor laying down the details of his/her experience and identifying the perpetrators (if possible) so that appropriate action may be taken.

On receipt of the letter, the Convenor is to approach the Head of the Institution. The principal in consultation with the Anti-Ragging Committee is to convene a Fact-Finding Committee in accordance with the UGC guidelines.

The Fact-Finding Committee would be given the responsibility to investigate the matter thoroughly by talking to the victim, alleged accused and visit the site of the incident if necessary.

The Fact-Finding Committee is to submit a detailed report of its findings within a stipulated time and recommend actions to be taken in the matter to the Head of the Institution.

The Head of the Institution in consultation with the Anti-Ragging Committee would then decide upon necessary course of action and lay it down in the Action Taken Report.

Grievance

Redressal

Cell:

The college is extremely cautious about the grievances of the students & staff. Considering the importance of students' interests the Grievance Redressal is exclusively done by the Principal and Governing Body. The principal addresses all the grievances which are submitted by the victim in

the written form. On a regular basis the principal through the meeting of the grievance redressal cell resolves various grievances of the students & staff and address the same. In order to assist the Principal Grievance Redressal Cell members are always present to discuss the matters in the meeting whenever such situation arises.

The function of the committee is to look into the Complaints launched by any student and judge its merit. Anyone with genuine grievances and their suggestions for improving the Academics and administration in the institute may approach the committee members in person. The grievance redressal committee is also empowered to look into matters of harassment. In case the person is unwilling to appear physically, he or she may send grievance in writing. Grievances may also be sent through email to grievance redressal committee or principal. It is necessary for everyone to be accountable and also positive attitude among all the stakeholders is required in order to maintain a harmonious educational atmosphere in the institute. To uphold the dignity of the college the committee ensures free atmosphere in the campus through promoting student relationship and student teacher relationship etc. Encouraging the students to express that they are problems freely and frankly without any fear of being victimized. Advising students of the institute to respect the right and dignity of one another and show utmost respect and patients whenever any occasion or Reef arises. Advising all the students to refrain from indulging unlawful act to any student and maintain friendliness with other students and teachers and administration. Advising all students to be affectionate to each other and not behave in a vindictive manner towards any of them for any reason.

Whenever there was an issue raised by any students to grievance redressal committee, the grievance redressal committee for students will act promptly so that the students may feel free to contact the cell in future. Student may come up and register complaint in the principal's office located at the administrative block or drop it in boxes placed in different places of the college campus. Victim can also send it in writing or send email to the committee members who will acts cases which have been forwarded along with the necessary document. The committee will take up only those matters which have not been solved by other department given related to fees etc. such complaints will be taken up by the Principal only. It is strongly encourage to see informal resolution of a grievance by bring it to the attention of the relevant individual or office and attempt at informal resolution will begin no more than 5 working days after the service or decision is

rendered if the students. If there is unsatisfaction with the response the student may make a formal letter to the principal for review of the decisions.

Internal Complaints Committee (ICC):

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("**POSH Act**") was enacted as a comprehensive legislation to provide a safe, secure and enabling environment, free from sexual harassment to every woman. This statute was enacted to fill the legislative void which had been partially addressed by the judiciary in Vishaka and Others v. State of Rajasthan and Others (1997 (7) SCC 323). In this seminal public interest litigation verdict, the Supreme Court of India had framed a set of guidelines ("**Vishaka Guidelines**") for dealing with instances of sexual harassment at the workplace, which has now been codified in the PoSH Act

Under the POSH Act, an employer is legally required to comply with certain statutory requirements. One of these is the constitution of an Internal Complaints Committee ("**ICC**"), a body envisaged to receive complaints on sexual harassment at the workplace from an aggrieved woman, as well as to inquire into and make recommendations to the employer on the action required pursuant to its inquiry of such complaint made. In order to give support to any female employee or even girl student, committee has been formed in the college. The Anti-sexual harassment committee is responsible for any cases that has been registered. The committee also arranges seminars and other awareness programmes under the banner of women's cell to create awareness among the students. The principal look after all the activities and keep the record for future reference. It is really a proud moment for us that till date, no sexual harassment cases have been registered by any female employee of the college.

- Constitute an Internal Complaints Committee (ICC) and a Women's Cell in the institutions under their administrative control to deal with gender-based violence and conduct gender sensitization programmes.
- Display banners and posters at conspicuous places in the buildings so as to create awareness amongst employees about sexual harassment and how to prevent it.
- Display the names and contact details of the members of the Internal Complaints Committee on notice boards in the institutions.
- Upload the following to their respective portals:
 - i. "Sexual Harassment of Women at Workplace (Prevention Prohibition and Redressal) Act, 2013"

Resolutions: As part of the anti ragging and anti sexual harassment drive the anti ragging cell of the college has arranged many seminars and students' awareness programme. Keeping in view of the growing discontent among the parents, the cell has decided to arrange a seminar where students can ask their mentor about the right path on the basis of which one can submit a grievance regarding ragging or sexual harassment related issues.

P.T.O

Prasenjit's Photography

Dr. Swapankumar Misra, the Principal of the College addressed the house with an elaborated speech about the anti ragging drive of Mangkuria Gangadhar Mahavidyalaya. Many students interacted with the Principal. Few issues are being discussed in the house. One of the major issues in rural areas were early marriages. Most of the girl student got married when she reached 18 years of age. Other students who are not yet married take the advantage of that event and ask that girl student about her married life. Sometimes few students who were married had to leave the classroom due to shame. It has been discussed in front of the students that, this time of discussion should not be carried out with a married student. Because forcing someone to reveal private life or married life is equally a shameful act like ragging.

Other teachers, like, Jonaki Biswas, HOD Political Science dept, Dr. Prasannil Ghosh, ~~Dr~~ HOD, History, Dr. Goutam Barman of Bengali dept have also participated and delivered speech on the topic.

A meeting of the anti ragging committee will be held on 17.08.2019 to discuss following agenda. Members are requested to present positively. The meeting will be held at Room no 117, English dept at 2 P.M sharp.

Prof. Jonaki Ghosh and other teachers have also stated that if a girl student wants we teach a student about how to stabilize mental and physical health through yoga and meditation it would work against ragging mentality for both the gender.

Sub: Complain of verbal abuse against
three students of Hotel Management
Department of 2020-22 session batch

Respect Sir,

I am Sukriti Maity, a student of your college
studying Hotel Management. Studying Hotel
Management was my dream. But now I feel that
I won't be able to achieve my goal as three
students who are also my batchmates harass
me all the time by passing rude and dirty
comments. They also bad mouthed about me to
the manager of hotel while we were interning
there. I am suffering mentally as result of
this and can't concentrate on my studies anymore.

It is my earnest request to you to take
necessary action against Abhay Bera, Shankhatip
Maity, and Madhusadhan Bera (2nd year students
of Hotel Management) for tormenting me and
abusing me verbally causing mental trauma.

Yours sincerely
