BRIEF REPORT ON NATIONAL MATHEMATICS DAY

On 22nd December 2022, National Mathematics Day on the Birthday of Srinivasa Ramanujan, a casual celebration is observed at Bajkul Balaichandra Vidyapith(H.S) School. Dr. Kalipada Maity, Associate Professor and HOD, Dept of Mathematics of Mugberia Gangadhar Mahavidyalaya, presided over the programme in the front of the audiences, students of class VII, IX and XI by his speech on " Life and Works of Srinivasa Ramanujan" and also his PPT on "The Role and Need of Mathematics in the Development of Society". He tried to shed light on the thinking and works of Srinivasa Ramanujan. A long discussion was followed by the quiz competition. A huge number of students and teachers attended this session. They questioned and Dr. Maity responded humbly. Thus the programme went down well with Dr. Maity. Soumya Kanti Mandal and Puspendu Sau, student of M.Sc, Dept of Mathematics of Mugberia Gangadhar Mahavidyalaya expressed their opinion about the Ramanujan works.

TO WHOM IT MAY CONCERN

I am the pleasure to acknowledge that our school celebrated National
Mathematics Day on 22nd December ,2022 in order to enhance the interest
and devotion of the learners to mathematics and to represent before them the
life and great substantial Contribution of Srinivasa Ramanujan, a great Indian
mathematician with international repute and fellow of the Royal Society.On
that eventful birth day celebration ceremony of Ramanujan in our school Hall,
Dr. Kalipada Maity, respected Prof. of Maths and also the HOD of Mugberia
Gangadhar Mahavidyalaya along with Puspendu Sahoo,a PG student of
Mathematics delivered their invaluable speech before our students. Our
beloved students were deeply impressed and motivated by the lessons of
learning in Maths on the part of Dr. Maity and his PG student. Our school is
willing to celebrate National Mathematics Day in the days to come. I wish all
the best and success of all.
