### **Report of Workshop on Prototype/Process Design and development dated 05.05.2025 to 07.05.2025**

A three days workshop on Prototype/Process Design and development was organized by the IIC of the college through offline mode in S. N. Bose Seminar Hall on and from 05.05.2025 to 07.05.2025 under IIC calendar activity to make aware the students and faculty about prototype design and development process. The theme of the workshop was Fabric painting on Sari, Punjabi, Churidar, Painting on vas, Wall hanging, Bottle decoration, Canvas painting, Madhubani painting, Waste material decoration, Home decoration with waste material, Creative products with plastic waste. About 48 college students and 5 faculty members of the college have participated in this programme. The workshop was inaugurated by Dr. Swapan Kumar Misra, Principal of the college and the introductory remarks of the workshop were delivered by Dr. Bidhan Chandra Samanta, Associate Professor and Head, Department of Chemistry of the college and also he was the coordinator of this workshop. The eminent trainer for this workshop was Sri Raghunath Jana, Fevicryl Expert Teacher, Tamluk, Purba Medinipur, West Bengal. He delivered keynotes on the theme in front of the participants and trained the participants with practical demonstration during the three days. The participants were very much satisfied and enriched with his creative and innovative art and craft proficiency.

Being completed demo presentation of prototypes developed by the student, Intra Institutional Start-up Competition and Reward Best Start-ups ceremony were arranged on 07.05.25 in the S N Bose seminar hall of the college. Five best innovations among 20 were rewarded and rest innovations were given consolation prize. The Principal Sir of the college, Dr Swapan Kumar Misra, handed over the prize to the participants and Dr Bidhan Chandra Samanta, the innovation ambassador of the college, conducted the said programme.
