Awareness Programme on Novel Coronavirus, 2020

Mugberia Gangadhar Mahavidyalaya's NSS unit successfully organized an online Awareness Programme on Novel Coronavirus, aiming to disseminate crucial information and promote awareness among the academic community. The event commenced with a thoughtful speech by our esteemed Principal, [Principal's Name], who provided valuable insights into the current state of the Novel Coronavirus pandemic and offered guidance on navigating these challenging times.

The highlight of the programme was the presentation of pre-recorded videos by our students, addressing various aspects of Coronavirus awareness. These informative videos covered essential topics, including preventive measures, recognizing symptoms, and emphasizing the importance of collective responsibility in managing the crisis. The student-led initiative demonstrated creativity and commitment to fostering awareness within the academic community.

The active participation of students, faculty members, and administrative staff was commendable. Attendees engaged in a meaningful Q&A session, seeking clarification and sharing their perspectives on the discussed topics. The online platform facilitated smooth interaction and ensured the success of the event despite the physical distancing measures in place.

The NSS unit expresses gratitude to all participants and contributors who made this programme impactful. It is our collective responsibility to stay informed and united in the face of the ongoing global challenge. The success of this initiative reflects the commitment of Mugberia Gangadhar Mahavidyalaya in promoting community well-being and resilience.
