## Poster competition on the theme "Science and Environment", 2021

The Institution's Innovation Council (IIC) at Mugberia Gangadhar Mahavidyalaya orchestrated an inspiring Model and Poster competition on the theme "Science and Environment" on 1st March 2021. This event aimed to cultivate creativity, promote environmental awareness, and provide a platform for students to showcase their talents.

The college witnessed enthusiastic participation from students who not only attended the event but actively engaged in the competition. The theme sparked diverse and innovative representations, with students presenting insightful models and visually striking posters that echoed their commitment to science and environmental conservation.

The competition not only served as a celebration of academic curiosity but also as a testament to the college's dedication to nurturing a holistic educational environment. The models and posters were a reflection of the students' dedication to addressing contemporary challenges related to science and the environment.

We extend our appreciation to all students who participated in the Model and Poster competition, contributing to the success of the event. Their enthusiasm and commitment to the theme showcased the potential for positive change through creativity and scientific understanding.
