## Report of National youth day 2019

Mugberia Gangadhar Mahavidyalaya witnessed a vibrant celebration of National Youth Day on January 12, 2019. The occasion marked the birth anniversary of Swami Vivekananda, a great spiritual leader and youth icon. The students of the college took the initiative to organize various events, including an awareness camp in the local area, to contribute towards building national growth. The day began with an early morning awareness camp organized by the students in the local community. The camp aimed to enlighten residents about the significance of youth empowerment, education, and communal harmony. Booths were set up to distribute informative pamphlets, engage in interactive sessions, and showcase the activities planned for the day. Students conducted workshops on skill development, career counseling, and the importance of education. Experts from different fields were invited to share their insights and experiences with the participants. This interactive session aimed at motivating the youth to explore their potential and contribute meaningfully to society. In the afternoon, a series of cultural programs were organized showcasing the diverse talents of the students. Dance performances, drama, and musical presentations highlighted themes related to national unity, patriotism, and the ideals of Swami Vivekananda. These performances not only entertained but also conveyed a powerful message of solidarity and shared responsibility.

As a part of their commitment to community service, students engaged in various activities such as cleanliness drives, tree plantation, and awareness campaigns on health and hygiene. These initiatives reflected the youth's dedication to making a positive impact on the local environment and society. To encourage open discussions on relevant issues, students organized forums where they deliberated on topics like social responsibility, environmental conservation, and the role of youth in nation-building. These forums provided a platform for the exchange of ideas and the formulation of action plans for future projects.
