Report of Vriksha Raksha Bandnan, 2021

The Department of Geography at Mugberia Gangadhar Mahavidyalaya successfully organized the Vriksha Raksha Bandhan program on September 1, 2021, with active participation from students. The event aimed at promoting environmental awareness and responsibility, featuring a tree plantation drive and an accompanying awareness campaign. Students engaged in planting trees on campus, contributing to the institution's green initiatives, and participated in a symbolic Rakhi tying ceremony to express commitment to tree protection. Beyond the event, participants were encouraged to extend their environmental stewardship by planting a tree at their homes. The department looks forward to fostering a continuous culture of environmental consciousness and sustainability among students, aligning with broader conservation goals.
