Report of Summer School Training , Zoology, Chemistry, and Mathematics, 2021

The "Summer School Training" organized by the departments of Zoology, Chemistry, and Mathematics at Mugberia Gangadhar Mahavidyalaya on July 16, 2021 onwards, was a resounding success. The event commenced with a vibrant registration session, followed by engaging department-specific sessions throughout the morning, covering a spectrum of topics tailored to each discipline.

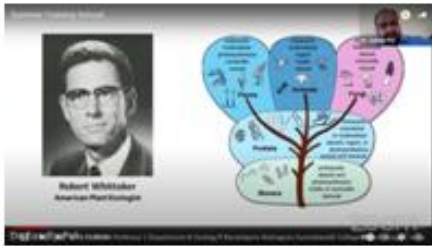

The afternoon featured interactive workshops, providing a platform for hands-on learning and skill enhancement. Participants actively participated in discussions, contributing to the collaborative and enriching atmosphere. A well-deserved lunch break allowed for networking and informal knowledge exchange.

The highlight of the day was a thought-provoking panel discussion and Q&A session, bringing together diverse perspectives from the three departments. The event concluded with closing remarks and the distribution of certificates, recognizing the active involvement of attendees.

We extend our gratitude to all students, faculty members, and administrative staff for their enthusiastic participation, making the "Summer School Training" a successful endeavor. The event not only facilitated the sharing of knowledge but also strengthened the sense of community within the academic environment.
