## Report of a workshop on World Wildlife Day, 2023

Mugberia Gangadhar Mahavidyalaya proudly organized the celebration of World Wildlife Day 2023 on 03.03.23, led by the Department of Zoology. The event was a resounding success, with active participation from students, faculty members, and administrative staff.

The program commenced with an inaugural ceremony that highlighted the importance of World Wildlife Day and the critical role of biodiversity in maintaining ecological balance. Distinguished speakers from the Department of Zoology provided valuable insights into conservation efforts and the significance of preserving our planet's rich biodiversity.

A notable feature of the celebration was the active involvement of students through presentations. Participants showcased their research findings, projects, and initiatives aimed at wildlife conservation. The presentations not only demonstrated the depth of knowledge among the students but also underscored their commitment to raising awareness about the pressing issues facing our planet's wildlife.

Interactive sessions allowed for engaging discussions on the challenges and opportunities in wildlife conservation. The event served as a platform for exchanging ideas and fostering a sense of responsibility towards safeguarding our natural heritage.

The Department of Zoology expresses its gratitude to all attendees for their enthusiastic participation. The success of the World Wildlife Day celebration was a testament to the collective commitment of the academic community at Mugberia Gangadhar Mahavidyalaya towards environmental stewardship.
