Report of 2nd Reunion Program by the Department of Nutrition

Mugberia Gangadhar Mahavidyalaya's Department of Nutrition successfully organized its 2nd Reunion Program on March 26, 2023, at the campus. The event was a heartwarming occasion that brought together current and ex-students, fostering a sense of camaraderie and shared experiences.

The reunion commenced with a warm welcome to all attendees, setting the tone for a day filled with nostalgia and reconnecting. The event provided a platform for alumni to reminisce about their academic journey, share post-graduation experiences, and catch up with former classmates and faculty members.

To create a stronger bond between the alumni and the department, various interactive sessions were organized. Alumni shared their professional experiences, providing valuable insights and guidance to current students. This exchange of knowledge and experiences proved to be beneficial in inspiring and motivating the current batch in their academic and career pursuits.

A highlight of the program was a series of team-building activities and ice-breaking sessions, designed to create a relaxed and enjoyable atmosphere. These activities facilitated networking and encouraged open communication among attendees, fostering connections that extend beyond the boundaries of the academic institution.

The Department of Nutrition acknowledges and appreciates the enthusiastic participation of both current and ex-students, making the 2nd Reunion Program a resounding success. The event not only celebrated the achievements of the alumni but also strengthened the sense of community within the department.
