Report of Series of Online Quiz, Physics 1

The Department of Physics at Mugberia Gangadhar Mahavidyalaya organized a successful online quiz program on the basics of Particle Physics, held on August 22nd, 2020. Aimed at enhancing students' understanding of Particle Physics concepts, the event saw enthusiastic participation from students across academic levels. The quiz, designed to cover fundamental principles of Particle Physics, provided a stimulating platform for participants to showcase their knowledge and problem-solving skills. Through this initiative, the department reaffirmed its commitment to fostering academic excellence and encouraging collaboration among students. The event's success underscores the department's dedication to providing enriching learning experiences while promoting a culture of intellectual curiosity within the academic community.

Coordinator: Dr. Wadut Shaikh

A screenshot of a Google Meet presentation slide titled "Question 2". The slide contains a question and four multiple-choice options. The question is: "How much of our universe is made of matter or energy, which we do not know about?". The options are: 1. 0.001 %, 2. 10 %, 3. 45 %, and 4. 96 %. Below the slide, the Google Meet interface shows "Mugberia Gangadhar is presenting" with a share icon. At the bottom, there are two participant cards: "You" with a video feed of a man, and "Mugberia Gangadhar" with a circular logo that says "Physics" and features a globe and atomic symbols.
