Seminar Report

On

**Iswar Chandra Vidyasagar: A Great Social Reformer
and Crusader of Women's Empowerment**

Sponsored by – ICSSR (ERC)

Date: 27th September 2019

A one-day State level seminar was organized by Mugberia Gangadhar Mahavidyalaya in commemoration of the 200th Birth anniversary of the legendary Iswar Chandra Vidyasagar, a great social reformer of Bengal. Iswar Chandra Vidyasagar, one of the most influential social reformers and intellectuals in 19th-century India, was born on September 26, 1820. Therefore, the 200th birth anniversary of Iswar Chandra Vidyasagar was celebrated on September 26, 2020.

Iswar Chandra Vidyasagar played a pivotal role in various fields, including education, women's rights, and social reforms. He championed the cause of women's education and fought against child marriage and the practice of Sati (widow immolation). Vidyasagar also contributed significantly to the Bengali language and literature and played a crucial role in the development of the modern Bengali alphabet.

The 200th birth anniversary of Iswar Chandra Vidyasagar was commemorated by various institutions, organizations, and individuals across India, particularly in West Bengal, where he had a significant impact. The celebrations included seminars, lectures, exhibitions, cultural programs, and discussions to highlight Vidyasagar's contributions and their relevance in contemporary society.

Keeping in mind of the same, Mugberia Gangadhar Mahavidyalaya had arranged a seminar sponsored by ICSSR (ERC) on 27th September 2019. Many dignitaries were present in the seminar. Prof. Pradosh Nath, Director, Centre for Knowledge Ideas and Development Studies, Kolkata were present as Key note Speaker. Atasi Nanda Goswami of the same Institution had delivered an excellent talk on Vidyasagar's vision on Women Empowerment. Other dignitaries were also delivered nice presentations on overall activities of Iswar Chandra Vidyasagar in the 19th Century

Bengal. The Secretary Alumni Association Sri Mathuranath Tripathy, Sri Bramhamoy Nanda, GB member, Dr. Swapan Kumar Misra, Principal, Sri Manmatha Nath Das, Social Activist & Educationist, Sri Aswini Kumar Khatua, GB Member and other teachers were present and delivered lecture on the subject. More than 100 participants from different colleges and students were present in the seminar. The seminar was conducted by Dr. Prasenjit Ghosh, HOD, History Department and the vote of thanks were given by Dr. Bidhan Chandra Samanta, HOD, Department of Chemistry.

During the commemorations, Vidyasagar's life, works, and ideologies were revisited and acknowledged by speakers who were present in the seminar in order to understand during the 19th century how progressive he was and his visionary nature. The events aimed to create awareness about Vidyasagar's legacy and inspire future generations to uphold his ideals of education, gender equality, and social reform.

Iswar Chandra Vidyasagar was a staunch advocate for women's empowerment and played a crucial role in championing their rights and education during a time when women's access to education and social equality was limited in India. His efforts had a lasting impact on the status of women in society. Here are some key aspects of Vidyasagar's contributions to women empowerment:

1. **Promotion of Women's Education:** Vidyasagar firmly believed in the importance of educating women. He worked tirelessly to establish schools for girls and fought for their right to receive formal education. He was instrumental in opening the doors of learning to women and played a significant role in expanding educational opportunities for them.
2. **Widow Remarriage:** Vidyasagar vehemently opposed the practice of Sati, where widows were expected to immolate themselves on their husbands'

funeral pyres. He actively campaigned against this inhumane tradition and advocated for widow remarriage. His efforts led to the passage of the Widow Remarriage Act in 1856, which legalized the remarriage of widows in India and helped alleviate their social stigma.

3. **Women's Rights and Social Reforms:** Vidyasagar fought for the rights of women in various spheres of society. He challenged prevailing social norms that restricted women's freedom and advocated for their equal rights in matters such as inheritance, property rights, and divorce. His efforts laid the foundation for future movements promoting gender equality and women's rights in India.
4. **Empowering Women through Literature:** Vidyasagar believed in the power of education and literature to bring about social change. He worked on simplifying the Bengali language and made it more accessible to the masses, including women. He wrote textbooks and created literary works that addressed social issues, aimed at enlightening and empowering women.

Iswar Chandra Vidyasagar's relentless efforts to empower women and promote their rights have had a lasting impact on Indian society. His work paved the way for subsequent generations of reformers and activists who continued the struggle for gender equality and women's empowerment in India.

Report of the Two Day National Seminar on Sustainable Development in Chemical Sciences held on August 17 & 18, 2023 and sponsored by SERB, Govt. of India

On receiving approval from SERB, Govt. of India (vide ref no. SSY/2023/000288 dated 18-Apr-2023), Dr. Bidhan Chandra Samanta, Head, Dept. of Chemistry, Mugberia Gangadhar Mahavidyalaya and Co-ordinator of this Two Day National Seminar on Sustainable Development in Chemical Sciences, took initiation to organize this seminar on the scheduled dates (August 17 & 18, 2023) proposed during the proposal submission in the S N Bose Seminar Hall of the college. The seminar was inaugurated by Prof. Ajit K. Banthia, Ex-professor, Materials Science Centre, IIT Kharagpur on 17th August, 2023 and an inaugural address had been delivered by him. Dr. Swapan Kumar Misra, Principal of the college delivered welcome address in front of the gathered participants and distinguished speakers. After his welcome lecture, the schedule lectures of Day 1 were delivered as per the programme schedule attached below. Accordingly, in Day 2, the schedule programmes were covered followed by valedictory session with concluding remarks delivered by Dr. Swapan Kumar Misra, Principal of the college. The program was ended by giving vote of thanks by Dr. Kalipada Maity, NAAC coordinator of the college. About 120 participants (Students: 90; Teachers: 10; Resource Persons: 15, Guests: 05) were present in each day of the said seminar.

Invitation

Dear Sir/Madam

We have the honor and privilege to inform you that the department of Chemistry of our college is going to organize a two day National Seminar on "Sustainable Development in Chemical Sciences" on August 17 & 18, 2023 sponsored by SERB, Govt. of India in our college campus. We cordially invite you, your colleagues, research scholars and students to attend the seminar and solicit your hearty co-operation in making it a grand success.

Thanking you.

About the Organizing Institute

Mugberia Gangadhar Mahavidyalaya was established on 2nd July 1964 as co-educated college in Bhupatinagar village situated in Bhagwanpur II Block under Contal Sub-Division of Purba Medinipur District, West Bengal by a society of the same name. From its very inception the college is trying to full fill one of the noble objectives "To promote educational facilities of all types, including studies in Arts (Humanities), Science, Technical and Vocational Courses". This degree college began as an Arts college, but now it expands by opening three streams – Arts, Science, Commerce and a Physical Education Training Course (B.P.Ed & M.P.Ed). It even runs many job oriented courses. Presently the college has been awarded with "DBT Star College Strengthening Scheme for Chemistry, Mathematics and Zoology departments and also awarded with "College with Potential for Excellence" status by the UGC under XII Plan. It is a NAAC Re-accredited 3rd cycle B+ Level Institution (CGPA 2.71) and is approved by NCTE. Thus the goals of the society are transmitted into academic and extension activities.

Background and objectives of the Seminar

Along with the quest for fundamental aspects, scientists have always been interested in designing practical applications of scientific advances in the form of devices, drugs, catalysts etc for mankind. The goal of fundamental science at the interface of chemical sciences and biology is to understand life in chemical terms. Our ability to accomplish the translation of biology into chemical terms is closely related to our fundamental understanding of life's machinery. However to meet these challenges, more and more researches at the interface of chemical sciences and biology are going on particularly for the prevention, diagnosis, and treatment of diseases. But the students belonging to this rural and backward area of West Bengal are completely unaware about these advances in chemical research. So, the main objective of this lecture workshop is to provide awareness, information, knowledge and encouragement to the target audience mainly students from host and nearby colleges regarding recent trends of application based researches in chemical sciences.

Call for papers

Interested participants are requested to send abstract of not more than 300 words with full paper of not more than 5000 words through Email as an attached file on the seminar theme.

Important Deadlines:

Submission of Abstract (paper/poster): 25.07.2023

Submission of full paper: 27-07-2023

Last Date of Registration: 10-08-2023

Registration Fee (Without accommodation):

Scientists/Faculty Members (Paper/Poster): 1000/-

Research Scholars/Self Help workers: 500/-

Students (UG & PG): 200/-

N.B. –The presented paper /poster will be published in seminar proceeding with ISBN.

Accommodation & Contact Details:

Accommodations will be arranged for the participants on request in Hostel/Guest Houses/Hotels on charge basis.

From : The Principal / Secretary,

The college integrates the waste management system along with campus cleaning for better efficiency and sustainability. The main initiatives taken for the waste management are given as below:

Solid waste management

The college provides Dust bins before each department and corridors to collect solid waste and has dedicated Vermi Composting station that uses the bio degradable waste and converts into manuring for organic farming thereby minimizing waste effectively. The College has signed a MoU with SOLID LIQUID WASTE MANAGEMENT PROJECT, Bhupatinagar. The details of the MoU is uploaded

Liquid waste management:

The college has a proper sewage system in all the washrooms of the college, canteen and departments with laboratory. The college takes appropriate care to prevent water stagnation and mosquito breeding. The rain water from the terrace of the college is directed towards the pond through pipes that ensures a recharge of the water .

E-Waste Management:

The e-waste is collected from the department and stored in a specific waste-collection bin.

PROGRAMS ORGANISED TO SENSITISE STUDENTS ABOUT THE IMPORTANCE OF WASTE MANAGEMENT AND MINIMUM WASTE GENERATION

Environmental Politics and Issues in International Relations

Chandan Naru

Assistant professor, Department of Pol.Sc.,
Mugberia Gangadhar Mahavidyalaya

Abstract

Climate change-related environmental degradation has raised concerns on a global scale. The effects of climate change on the earth and the human species are without doubt. With regard to establishing environmental protection criteria between industrialised and developing nations as well as pinpointing the main cause of environmental degradation, a new argument has recently gained momentum. The North-South debate in international environmental politics refers to the disagreement between industrialised and developing nations on how to recognise, curtail and lessen the harm that climate change poses to everyone on the planet. Environmental degradation is closely linked to human activities like heavy industrialization, consumerism, burning fossil fuel, tropical deforestation, rising automobiles use since these activities produce Greenhouse Gases which speed up climate change. In general, compared to the affluent, heavily industrialised global North, the poor, developing South has contributed little to environmental deterioration. The effects of environmental degradation, however, are multifaceted. Despite the fact that both richer and poorer states are affected by climate change, the South's poverty makes it particularly susceptible to the entire environmental issue. In light of this, the more important concerns in global environmental politics are: who should be held accountable for climate change, who will set the standards for limiting the emissions of ever-increasing Greenhouse Gases and how can require steps be taken to safeguard and regulate the environment?

8.1 Introduction

Environmental issues emerged as an important issue in international politics in the last three decades of the 20th century. Environmental problems are not a new issue. Human society has had an impact on the environment for a long time. Human extract resources from the nature in a way that can lead to catastrophic natural disasters and even the extinction of the entire human community, but it is true that the environmental impact or pollution resulting

প্রাচীন ভারতীয় লোকসংস্কৃতি ও বিশ্বায়ন

চন্দন নাথ

প্রাচীন ভারতীয় 'লোকসংস্কৃতি' ভারতীয় সংস্কৃতির এক অবিচ্ছেদ্য অংশ। এই অবিচ্ছেদ্য সংস্কৃতি বর্তমান বিশ্বায়নের যুগে প্রাসঙ্গিক হয়ে উঠেছে এই কারণে যে, এটি বর্তমানে নিজের দেশের সংস্কৃতি ও অন্য দেশের সংস্কৃতির মধ্য একটি মেলবন্ধনে আবদ্ধ হয়েছে। আর এই মেলবন্ধনের জন্যই আজ বিশ্বায়নের প্রভাব সারা বিশ্বজুড়ে বিশেষত তৃতীয় বিশ্বের দেশগুলিতে ভয়াবহভাবে বিস্তার লাভ করেছে। কিন্তু প্রশ্ন হল, বর্তমান বিশ্বায়নের যুগে এই লোকসংস্কৃতির প্রাধান্য কতটুকু নিজের জায়গা ধরে রাখছে? লোকসংস্কৃতি যা ভারতের ঐতিহ্য, তা বর্তমানে কেন চর্চিত বিষয় হয়ে উঠেছে? আর একই সঙ্গে পাশ্চাত্য সংস্কৃতি ভারতবর্ষে কেনমতো প্রভাব বিস্তার করেছে? এই প্রশ্নগুলিকে কেন্দ্র করে প্রাচীন ভারতীয় লোকসংস্কৃতি বর্তমান বিশ্বায়নের যুগে একটি চর্চিত বিষয়ে পরিণত হয়েছে।

লোকসংস্কৃতি বলতে ঠিক কী বোঝায় তা নিয়ে বহু বিতর্ক রয়েছে। তবে সেসব বিতর্কে না— গিয়ে লোকসংস্কৃতি নিয়ে একটি আলোচনা করা প্রয়োজন। ইংরেজি 'Culture'-এর প্রতিশব্দ হিসেবে 'সংস্কৃতি' শব্দটিকে গ্রহণ করা হয়েছে। আচার্য কিতীমোহন সেন ঐতরেয় ব্রাহ্মণের শিল্প সম্বন্ধীয় একটি বানী (অয়সংস্কৃতি)র শিলানি ছন্দোময় বা ঐতরেয়মান আখ্যান সংস্কৃতি থেকে শব্দটিকে উদ্ভাবন করেছিলেন। তাঁর মতে, 'ঐতরেয় হল আর্ঘ্য ও অনার্য সংস্কৃতির একটি মহনীয় সমন্বয়'। 'কৃষ্টি' ও 'সংস্কৃতি' নিয়ে বিতর্ক উপস্থিত হলেও শেষ পর্যন্ত সংস্কৃতি শব্দটিকেই গ্রহণ করা হয়েছিল এবং যা আজও বর্তমান। 'সংস্কৃতি' শব্দটির পূর্বে 'লোক' শব্দটি প্রয়োগ করে যে 'লোকসংস্কৃতি' শব্দটি গঠন করা হয়েছে, তাতে জনজীবনের সঙ্গে সংযুক্ত বিভিন্ন দিক অন্তর্ভুক্ত হয়ে গেছে। 'সংস্কৃতির প্রাগৈতিহাসিক স্তর' এই নামটি আমরা পেয়েছি ফ্রেডরিক এপলস-এর লেখা, তাঁর 'পরিবার, ব্যক্তিগত মালিকানা ও রাষ্ট্রের উৎপত্তি' গ্রন্থে। রবীন্দ্রনাথ তাঁর 'গ্রাম্যসাহিত্য' প্রবন্ধে বলেছিলেন— "কেবল সংস্কৃতি অতি অল্পদিন ইহল আধুনিক কাল, দূরদেশাগত নবীন জামাতার মতো নতুন চাল-চলন লইয়া পঞ্জীর অন্তঃগুণেও প্রবেশ করিয়াছে। গ্রামের মধ্যেও পরিবর্তনের হাত পড়িয়াছে।" অর্থাৎ প্রায় একশো বছর পেরিয়ে আজ উন্নত প্রযুক্তির কালেও ভারতের গ্রাম বাংলার সংস্কৃতির সেই পরিবর্তনের মাত্রা বেড়েছে বৈ কমেনি। অতএব এই বিবর্তনের ইতিহাস বীথিদের। সংস্কৃতিই লোকসংস্কৃতি, যার কেন্দ্রস্থল দুলত গ্রামাঞ্চলই। ভারতের লোকসংস্কৃতির কথা যদি বলি, তাহলে অবস্থান ও ভৌগোলিক পরিবেশের সাপেক্ষেই তা বিচারযোগ্য। লোকসংস্কৃতি ভারতবর্ষ, কৃষিভিত্তিক সামন্ততান্ত্রিক গ্রামই তো ভারতবর্ষের প্রকৃত স্বরূপ। বাংলা সেই গ্রামীণ ভারতবর্ষের মধ্যে অন্যতম একটি। সুতরাং বাংলায় যারা উচ্চসংস্কৃতির ধারা বহন করছে, তাদের সেই উচ্চসংস্কৃতির পঞ্জীরেই গ্রামীণ অর্থাৎ লোকসংস্কৃতি সৃষ্ট

Report

Deshanayak Subhas Chandra Bose, a prominent leader in India's struggle for independence against British rule had visited Mugberia locality in West Bengal to address a large rally on 12th April, in the year 1938 when he was the President of the India's National Congress. On this auspicious occasion, the alumni association and Netaji Subhagaman Committee of our college along with the teachers and students have organized a one-day state level seminar in order to commemorate the 85th anniversary of the visit of Netaji to this place on 12.04.2023. Mugberiavillage , located in the district of Purba Medinipur holds historical importance as it was the place where many Bengali revolutionaries and other national leaders have visited for revolutionary practices.

At the beginning the members of the Alumni association and other stakeholders have gathered in the college ground for National Flag hoisting, followed by offering flowers to Rai Saheb Gangadhar Nanda and JyotirmoyNanda (founder of this college). Many teachers, students and ex-students of this college have attended the seminar with curiosity. Dr. Swapan Kumar Misra, the Principal of the college inaugurated the seminar by lighting the holy lamp and gave the inaugural address. Dr. Ananta Chakraborty, Associate Professor of History, Tamralipta Mahavidyalaya has presented the key-note speech. According to him, the event was very interesting in terms of historical understanding of the politics emerged during that time. Dr. Chakraborty mentioned about the revolutionary activities of BirendranathSasmal during the visit of Netaji, the great fighter of theIndia's freedom movement. He showed that,Netaji's visit to this side of the district has to be studied carefully, because there were historical records that

reveals that Netaji's visit to Mugberia village were not only to address the meeting but also to meet some rebel leaders of the then Congress Party for some strategic reason, according to him Biren Sasmal was one of them. Apart from these speaker, Prof. Ranajit Kumar Nayak, ex-faculty of this college, and an educationist and a philanthropist of this locality were presented a fine lecture on the mystery of Netaji's death. Sri Mathuranath Tripathy, Secretary, Alumni Association presented an in-depth study of the event by recollecting his childhood memories. Sri Aswini Khatua, GB member were also present in the seminar and gave an inspiring speech on why we should all follow the path of Netaji for a better India. The entire programme was conducted by Dr. Prasenjit Ghosh, IQAC Co-ordinator, and HOD, History.
