Report of Educational tour and cleanness programme at digha, 2021

NSS volunteers from Mugberia Gangadhar Mahavidyalaya conducted a cleanliness drive and educational tour at Digha Sea Beach on December 28, 2021. The effort sought to educate pupils and cultivate a sense of environmental responsibility at the same time. Students learnt about coastal geography, marine ecosystems, and the value of environmental conservation during the morning's instructional activities. In order to encourage cleanliness and protect the area's natural beauty, the NSS members then organized a cleanup drive along the beach, gathering trash and garbage. NSS members eagerly participated in the event, taking part in both the cleaning and teaching activities. For the participants, the integration of education and volunteer work produced a comprehensive experience.
