Report of AIDS awareness at Bhupatinagar, 2022

An AIDS awareness session was held at Bhupatinagar on December 1, 2022, by Mugberia Gangadhar Mahavidyalaya NSS in association with Mugberia Gram Panchayat. This session's main goal was to inform the public about AIDS and how to prevent it. NSS members enthusiastically attended the program, which featured informational seminars, interactive discussions, and the distribution of educational materials. The fact that a large number of community members took an active part in the events also suggests that the project was successful. This program is in line with the larger AIDS awareness campaign, which aims to raise public awareness of the illness and encourage preventative actions. The NSS team hopes to continue planning similar activities in the future in order to further educate and empower the community in the fight against AIDS.
