Report of awareness program on malaria and dengue, 2023

On 24th January 2023, the NSS members of Mugberia Gangadhar Mahavidyalaya conducted a successful awareness program on malaria and dengue in Bhupatinagar, in collaboration with Mugberia Gram Panchayat. The event aimed to educate the community about the prevention and management of these vector-borne diseases. Through informative sessions, discussions, and distribution of educational materials, participants gained valuable insights into recognizing symptoms, preventive measures, and the importance of maintaining hygiene to curb the spread of malaria and dengue. The initiative garnered active participation from NSS members and community members, fostering a sense of responsibility towards public health. The collaboration between the college NSS members and the Gram Panchayat proved instrumental in reaching a wider audience and promoting community engagement in combating these diseases. Overall, the program contributed significantly to raising awareness and empowering the community to take proactive measures against malaria and dengue, thereby enhancing public health outcomes in Bhupatinagar and beyond.
