IQAC Report Summary

Total number of teachers attending professional development Programmes viz., Orientation / Induction Programme, Refresher Course, Short Term Course during the year 2021-22

IQAC of Mugberia Gangadhar Mahavidyalaya has created research atmosphere among the teachers in association with Research Cell. There are different cell/committees who worked together to enhance quality of education and in return the teachers provides credits to their institution. For example, IQAC not only augmented research publications or administrative or academic progression through high impact research work but also helped the teachers to prepare their CAS related matter which is necessary for promotion to the next higher level. According to UGC guidelines teachers need to acquire OP or RC certificates to be eligible for his/her promotion to higher level. But now days it is not easy to get access like past to such courses because of the high rush in HRDCs of various universities. Considering the fact, IQAC develop a mechanism to help the teachers who are on the verge of their promotion to higher level by displaying UGC notification and availability of FDP courses in HRDCs in the notice board, so that the teachers can get all the details regarding when and where to apply for their respective subjects. Moreover, IQAC helps to furnish all the credentials if any teacher seeks any helps. These steps help us to be hassle free from any sorts of trouble regarding admission to various HRDCs. The following teachers were permitted to join the OP/RC by the IQAC
