

Decentralization and Participative Governance through Sub-committees

Mugberia Gangadhar Mahavidyalaya always maintained decentralization and participative governance through sub-committees. The institution created its effective leadership by using its human resources. The formation of different committees constituted the decentralization process. Teaching and nonteaching staffs were proportionately represented in the Governing Body and are equally responsible for implementation of different policies. Participative management is practiced in the college through the following sub committees. These are, RUSA Committee, Building sub-committee, Academic sub-committee, B.P.Ed & M.P.Ed sub-committee, Vocational Courses sub-committee, Library sub-committee, Purchase committee, Finance committee, Development committee, Tender sub-committee, Electric sub-committee, Computer subcommittee, Provident-fund subcommittee, Examination sub-committee, Internal Complaints committee, Students Redressal cell, Sexual Harassment Redressal Cell, Research Cell, Women's Cell, Environment Cell, Green Club, Institutional Innovation Council (IIC), IQAC. Through the functioning of these committees at different levels with proper stake holder representation and periodic meetings of these bodies, it is ensured that all activities of the college like planning developments, academic calendar preparation, quality venture initiation, fund procurement and allocation, maintenance of discipline and code of conduct, conduct of examinations, conducting various events, extension activities etc. are carried out with the active involvement and belongingness of staff members. Decentralization and participative management are the backbone of the PF Committee of the college. Though the Principal of the college is the Manager of the fund, one senior Associate Professor is appointed as a Convener of the committee. Transparency is maintained regarding the deposit through regular annual financial audit of the fund.
